90 Caption Templates

Fill the brackets with specifics, not adjectives. [result] is never "great results," it is "cut their power bill by a third" or "three fewer no-shows a week."

Two rules for every one of these. First line has to earn the second. And cut a third of whatever you wrote.

Pillar 1: Teach (40 percent of your posts)

▪ Myth and correction

1. [Common belief] is the most expensive myth in [industry] . Here is what is actually true: [the truth] .
2. Three things people get wrong about [topic] : 1) [wrong] , 2) [wrong] , 3) [wrong] . The last one costs the most.
3. You do not need [expensive thing everyone recommends] . You need [the actual thing] . Here is why.
4. " [Thing people say] " Not really. [The correction, in one sentence.]
5. Everybody says [common advice] . It is fine advice. It is also why [bad outcome] keeps happening.

▪ Straight answers

6. The question I get most: " [question] " The honest answer: [answer] .
7. What [service] actually costs, and what moves the price: [factor] , [factor] , [factor] .
8. How to tell if you need [service] : if [sign] , [sign] , or [sign] , it is time. If not, save your money.
9. [Thing] or [other thing] ? Here is how I decide: [the deciding factor] .
10. Somebody asked me [question] today. Answering it here because I get it every week.

▪ Lists that get saved

11. [Number] things to check before you [action] : [list] . Save this one.
12. The [number] -point checklist we run on every [job type] : [list] .
13. [Number] signs it is time to [action] : [list] .
14. Everything you need for [task] , and nothing you do not: [list] .
15. [Number] questions to ask before you hire anybody for [service] . Including us.

▪ Teaching from mistakes

16. Mistake I see every single week: [mistake] . Costs about [cost] to fix. Takes [time] to prevent.
17. The most expensive shortcut in [industry] : [shortcut] . Here is what it actually saves and what it costs.

18. Got this one wrong for years: [the wrong approach] . What changed my mind: [the thing] .
19. If you only fix one thing about your [thing] this year, make it [the thing] .
20. This is what [problem] looks like before it becomes [expensive problem] . Catch it here.

▪ Explaining the work

21. What actually happens during [service] , start to finish: [steps] .
22. Why [thing] takes [time] and not [shorter time] . It is [the reason] .
23. The part of this job nobody sees: [the invisible work] . It is most of it.
24. [Term people hear but do not understand] , explained in plain language: [explanation] .
25. Two ways to do [task] . The fast one costs [cost] and lasts [time] . The right one costs [cost] and lasts [time] .

▪ Seasonal teaching

26. Every [season] we get the same call: [the problem] . Here is how to avoid being that call.
27. Before [seasonal event] , check these [number] things: [list] .
28. [Month] is when [problem] shows up. Here is the ten-minute version of preventing it.

Pillar 2: Show (30 percent)

▪ Behind the scenes

29. [Time] this morning. [What you are doing.] Nobody sees this part, and it is the part that makes [the visible result] work.
30. What [day of the week] actually looks like: [the real answer] .
31. Spent [time] today on [unglamorous task] . Would do it again.
32. This is the setup before anybody arrives. [One line about why it matters.]
33. Not glamorous. Very necessary. [Description.]

▪ Process

34. Step [n] of [n] : [what is happening] . [Why it matters.]
35. Time-lapse of the boring part. It takes [real duration] in real life.
36. Watch what happens when [technique] . [The result.]
37. Same job, three angles. [One line on what to look at.]
38. Start to finish on [job] . [Duration.] [One thing that surprised you.]

▪ Before and after

39. Before. After. [Time] of work in between.
40. Swipe for the after. [One line on what the problem actually was.]
41. This is what [number] [hours/days] of [work] looks like.
42. Left: what we walked into. Right: what we left. [One line.]

▪ Tools and craft

43. The tool I would not work without: [tool] . [Why.]
44. Been using this [tool] for [time] . Here is what it replaced and why that mattered.
45. People ask what is in the truck. [List the actually useful things.]
46. Not the fanciest option. Just the one that has never let me down.

▪ Workspace and life

47. Current view from the [office / truck / shop / kitchen] . [One honest line.]
48. Twelve hours ago this was [state] . [One line.]
49. Some days it is [glamorous thing] . Today it is [unglamorous thing] . Both count.
50. [Number] years doing this and [thing] still gets me every time.

▪ The people

51. [Name] has been with us [time] . [One specific thing they are great at.]
52. Small crew, which means the person who quotes it is the person who does it.
53. [Family member] came along today. [One warm line.]

Pillar 3: Prove (20 percent)

▪ Job stories

54. [Customer type] called about [problem] . We [what you did] . Now [specific result] . That is the whole job.
55. Problem: [problem] . Cause: [cause] . Fix: [fix] . Time: [time] .
56. They had been living with [problem] for [time] . Took us [time] to fix. That is the part that gets me.
57. Toughest one this month: [the challenge] . Here is how we got it done.
58. [Job type] , finished [timeframe] . [One detail you are proud of.]

▪ Customer words

59. Got this message today and I am still thinking about it. [Screenshot.]
60. This is why we do it. [Quote from a customer.] Thank you, [name] .
61. [Customer] said it better than I could: "[quote]"
62. Reviews like this beat any ad we could run. Thank you [name] .

▪ Numbers

63. [Number] [jobs / customers / projects] since [year] . Still answer my own phone.
64. [Number] years in [city] . [One line about what has changed and what has not.]
65. [Number] [units] this month. [One line of context that makes the number mean something.]
66. Milestone: [the milestone] . Took [honest timeframe] . Thanks to [specific people] .

▪ Credibility

67. [Certification / license / training] renewed. [One line on why it matters to a customer.]
68. Every [job type] we do includes [the standard you hold] . Not an upsell, just how we work.
69. We will tell you when you do not need us. Did it twice this week.
-

Pillar 4: Ask (10 percent)

▪ The plain ask

70. We do [service] for [who] in [area] . If that is you, [how to reach you] .
71. Booking [timeframe] now. [How to book.]
72. Two openings left this [week / month] . [How to grab one.]
73. If you have been meaning to [thing] , this is your sign. [How to start.]

▪ Offers

74. [Offer] through [date] . [What they get.] [How to claim.]
75. [Season] special: [offer] . [One line on why now is the right time.]
76. New for [month] : [the new thing] . [Who it is for.]

▪ Soft asks

77. Quietly taking on [number] more [clients / projects] this [quarter] . If you know somebody, send them my way.
78. Not a sales post. Just a reminder that we exist and we are good at [thing] .
79. If [problem] has been on your list since [time period] , I promise it is not as bad as you think.

▪ Referral asks

80. Best compliment there is: sending somebody our way. Thank you to everyone who has.
81. Know somebody who needs [service] ? We have room this [period] .
-

Bonus: engagement posts

Use one every couple of weeks. Comments are the cheapest reach there is.

82. Honest question for [audience] : what is the one task you would pay to never do again? I will go first. [Yours.]
83. [Option A] or [option B] ? I have a strong opinion and I am curious if I am alone.
84. What is the worst advice you have ever gotten about [topic] ?
85. Fill in the blank: the hardest part of [thing] is _____.
86. Guess how long this took. Closest answer gets bragging rights.
87. What do you want to know about [your field] ? Ask me anything, I will answer all of them.
88. Rate this [before and after] out of ten. Be honest.

89. Tell me you are a [type of person] without telling me you are a [type of person] .
90. What is a thing about [your industry] that you wish more people knew?
-

The eleven-word rule

If the first line of your caption does not work as a standalone sentence that makes someone want the second line, rewrite it.

That is the only editing rule you need.
